

Coronavirus Policy & Procedures 2021

- All art classes will start with drop off at the front gate, temperatures taken, attendance and sign in done outside in the front yard only.
- Sign in sheet, only touched by coordinator. The coordinator will write down all drop off and pick up info and initial for parents.
- Weather permitting, art projects and activities will be held outdoors.
- All staff are vaccinated against Covid 19.
- Staff will be tested regularly.
- Staff will be required to wear a mask.
- Children 2 and over will be required to wear masks indoors.
- Doors and windows left open for ventilation and air purifier will be used in the studio while children are indoors.
- Everyone will sanitize hands before entering the art studio.
- Everyone will wash hands before and after the art activity and anytime the teacher or children think it is necessary.
- Tables, chairs, door knobs and high touch surfaces will all be sanitized before and after class.
- Side by Side will have plenty of hand sanitizer and hand washing stations.
- If anyone in class is exposed to the coronavirus, contact tracing policies by the government will be followed.

**Side by Side's preschool program returned full time in August 2020 which has given our staff the opportunity to carry out these safety practices. We also held a full summer of classes and camps and are well prepared for classes this fall.*

If the Covid19 situation changes, we will update regulations to meet state policies to keep children and teachers safe.
