## Parent Handbook

Updated: December 2021

*“It is vital that when educating our children’s brains that we do not neglect to educate their hearts.” -Dalai Lama*

Thank you for choosing The Whole Child Nature School and Atelier. The mission of The Whole Child is to provide children with stimulating nature-centered opportunities to encourage artistic self-expression, independent problem solving, and a never-ending curiosity towards life.

Children will freely explore their natural world, therefore inviting new experiences every day and allowing the child to become a leader on their own learning path. Through these experiences, children will learn compassion not only towards their friends, but also towards the Earth and themselves.

The Whole Child encompasses all aspects of a child’s well-being – mind, body, heart, and soul.

Inspired by Reggio, Steiner and Waldorf philosophies, children will spend a majority of their time outdoors in Earth’s classroom. Our daily rhythm will include time for creative play, loose parts invitations, yoga, stories, art discovery, and more. Our commitment in viewing children as competent and capable learners promotes a comfortable and encouraging atmosphere where children can recognize and reach their full potential.

This booklet includes detailed information outlining the procedures and policies involved in our program. Please keep it for future reference, and feel free to consult with our staff listed below about any questions you may have.

Excited to partner with you,

**Kim Frazier-Pirog**

## **WITHDRAWAL OR SUSPENSION**

If Side by Side Staff is concerned that your child's/children's needs are not being met in our program, we will involve you in the process of identifying the issues and working toward resolution. However, if after reasonable and appropriate interventions have been tried, Side by Side staff determine that the program is not in the best interest of you, your child(ren), or the Studio, we may require that your child(ren) be suspended from the program. Suspension procedures will be implemented in the time frame that is deemed appropriate by Side by Side Studio. If Side by Side believes, in its sole discretion, that the actions of a parent or guardian are disruptive, inappropriate or inconsistent with the Studio's best interests, it may elect to end a child's enrollment. In the event of suspension, you will not be refunded the remainder of the month's enrollment that has been paid.

Side by Side is 501c3 nonprofit that provides school programming from funds provided by tuition. Because of the necessary commitments made by the school, registration and tuition fees are non refundable. Furthermore, since the schools budget is projected on an annual basis, and since teachers are given set pay, school registrations are for an entire school year. Exceptions can be made on a case by case basis.

## **SIGN IN/SIGN OUT PROCEDURE**

Each day your child(ren) attends The Whole Child, they must be signed-in. When children are picked up, they MUST be signed out.

Children will only be released to guardians or individuals who have been listed as approved persons for pickup in the student's file. Any person picking up your child may also be required to show proper I.D. (driver's license, etc.) Please notify staff UPON ARRIVAL if your child will be picked up by another individual so they can be added to the approved list. If someone attempts to pick up your child and is not on the list, we will require verbal confirmation from the parent before allowing your child to leave.

## **INJURY**

If your child is injured while in our care, proper medical attention will be given and the injury documented. Documentation shall include time of injury, description of event, and a detailed description of treatment/ attention given. A copy will be given to the parent or guardian and another copy will be kept on file.

In case of emergency, your child will receive attention first— parents will then be called for further instructions. It is your responsibility to keep all emergency telephone numbers current.

### **ILLNESSES**

A child who is ill may NOT be brought to programming. If your child is ill, they should remain at home until they have been on medication for 24 hours or are symptom-free for 24 hours.

### **INCLEMENT WEATHER POLICY**

In the event of inclement weather, closing information will be posted on our Facebook page and parents/guardians will be notified via text message. After two “snow days,” we will add make up days to the calendar and notify parents of the modified schedule.

### **WEATHER CONDITIONS**

Please note as a part of our program mission, we will plan to be outside in a variety of weather conditions, so please dress for appropriate weather conditions each day. If you would like to bring a pair of rain boots, raincoat, or other alternative weather gear to leave at the studio you may do so.

Staff will be aware of weather conditions to make a decision about outside play and exploration. This may include but is not limited to extremely high heat index , lightning, extreme cold and air quality index level.

- If the heat index is above 90, the children will play outdoors for a maximum of 20 minutes.
